## Adjustable Chiropractic Tables

For nearly 35 years Martin Chiropractic tables have set the standard for stability and reliability.

The Vert-Econ with its rigid and robust steel frame, supported directly over the cervical and thoracic drop sections, coupled with crisp drop mechanisms, ensures precise and balanced adjustments every time.

With 4 distinct models available, there is a Vert-Econ table suitable to match the functional needs and budget of every Chiropractor.

- Select from up to 4 drop sections
- Variable height adjustment
- Head section flexion, extension and optional elevation
- Firm high density foam cushions
- Choice of leather or vinyl upholstery
- Five year structural warranty
- Manufactured to ISO 9001 quality standard
